Welcome to Eagle Point Health Care Center

Eagle Point Health Care Center is a privately-owned, comprehensive skilled nursing facility offering a full spectrum of care including rehabilitation, short-term skilled care and long-term care. We provide 24-hour medical care and support services to our Residents.

Through community resource collaboration and support to our families, we ensure our Residents achieve their highest level of independence. Here at Eagle Point Health Care Center, you will find the comforts of home. The environment is clean, caring and friendly. We encourage you to decorate just like you would at home. Family, friends and even pets are always welcome to visit.

You will not find a more dedicated team of professionals in town. With a staff committed to excellence, the needs of our Residents come first.

Residents First!

Surrounded with the natural beauty of the Mississippi River, we seek to provide resident-centered care in a home-like atmosphere where people are loved, valued and at peace.

Long-Term Care

When you choose Eagle Point Health Care Center, we understand you are placing your trust in us to provide excellence in care. We take that seriously. Our dedicated medical team provides a full spectrum of 24-hour nursing and medical care.

Our professional, caring staff provides personal care based on each individual's needs — from daily living assistance to complex, medically involved, skilled nursing treatment.

We do all we can to provide our long term care residents with a comfortable, safe, and caring family place to call home.

We offer a wide variety of social and multi-denominational religious services. From pie and ice cream socials, birthday parties, and exercise classes by certified restorative therapy aides, to bingo, crafts, afternoon teas, cards, and live music — there's always something to do at Eagle Point Health Care Center. Our on-site beauty salon is available to help keep our residents looking their best.

We encourage family, friends, and yes, even pets, to stop by anytime to visit loved ones. Family and friends are also invited to participate in activities or stay for a meal — because family is family.

TruRehab Therapy and Rehabilitation Services

Our full-time, in-house therapy and rehabilitation team provides the best in physical, occupational, and speech therapies in our large therapy clinic. Outfitted with specialty exercise equipment including but not limited to Omnicycle, and Rickshaw tricep/bicep exerciser and Accelerated Care Plus (ACP) specialty modality equipment, our TruRehab Therapy and Rehabilitation programs provide our residents with the best opportunity to reach their goals.

Returning to Home

We take pride in our success stories which include individuals who have been able to return to a more independent setting, including returning to home. Our therapists encourage participation in personalized care plans to support and encourage individuals to reach their full potential.

Our aggressive discharge planning ensures an individual has all the adaptive equipment, home modifications, and training to be successful once they return home.
